Question

254. Proclamation to disperse

Whenever the President considers it necessary to use the militia or the armed forces under this chapter, he shall, by proclamation, immediately order the insurgents to disperse and retire peaceably to their abodes within a limited time.

Congress was suspended after President Trump Spoke these Words on Jan 6 2021

Question

The only constitution restraints we Have today

is the restraints that are in each State constitution and territory treaty

This Insurrection

That was carried out against the People of These States on November 3 2020

This Was declared By President Trump on Jan 6 2021

By proclamation

Text contains those laws in effect on January 20 2022

click this link

The fact to plea in court is

Congress had no power once these words we spoken

to the certified the 2020 Presidential Electoral College By Law

Look at the link for more

For congress to do and illegal Vote on the Electoral College this in itself

nullifies all of the Electoral collage votes to Joe Biden under fraud etc

And makes the claim of voter fraud mute in this hearing

after this is presented to a court of record and a judge rules this correct

We need to state the Remedies with our plea find one in here

State Law Wrongs, State Law Remedies, and the Fourteenth Amendment

and then all of the acts and parties are brought to justice

For any Judge to not accept this plea

Question

Would such Judge be also guilty of treason
